

INDASA will be at the International Fair EQUIP AUTO

INDASA Abrasives will be present at the International Fair EQUIP AUTO from October 15th to 19th, exhibiting to:

- 1-More than 95,000 professionals from Europe and Middle East;
- 2-100,000 sqm of exhibition area;
- 3-1,200 exhibitors from 40 countries.

Being INDASA a brand specialized in solutions for surface preparation in automotive refinish, this is the perfect place for the launch and promotion of our innovation products

INDASA will present the new Masking tape M T E Red , a assured performance masking and also, introduce the Workstation PRO, a fully portable storage system for refinish consumables, tools and equipment, giving ease of transport throughout the work place.

We'll be on **Stand 1 B018**, with product demonstration area, showcasing our high performance abrasive systems.

A lot of good reasons to come visit us and learn all about our comprehensive product range for the professional bodyshop industry.

About INDASA

Founded in 1979, Indasa is now one of Europe's leading manufacturers of high performance coated abrasives.

From its headquarters in Aveiro, Portugal, the company specialises in the production of innovative sanding materials and systems that deliver market specific solutions to a wide range of manufacturing and service industries.

The consistently high standards of development, production and marketing of coated abrasives has earned the company a number of globally recognized accreditations over the years.

The Indasa Group consists of 8 wholly owned subsidiaries that are located in Spain, UK, France, Germany, Poland, Brazil, USA and Italy.

Indasa France, located in Lyon, distributes and supports the entire range of Indasa products in the region.
